## ***ZAAC – Zeitschrift für anorganische und allgemeine Chemie*** **An Invitation to Join the International Advisory Board**

Dear Professor Jiang,

Founded as early as in 1892 by Gerhard Krüss, *ZAAC – Zeitschrift für anorganische und allgemeine Chemie* (Journal of Inorganic and General Chemistry) has been a forum for inorganic and general chemists ever since. Over the decades and in addition to the editorial guidance and commitment of the editors, the scientific quality of *ZAAC* has always been guaranteed through an illustrious group of outstanding experts in inorganic chemistry, the board members. Today it is our pleasure to invite you to join the International Advisory Board of *ZAAC*.

Since we know of your many commitments, we can assure you that we will do everything to keep your involvement to a minimum. Every guidance and assistance you can provide will help. As a member of the International Advisory Board you would act as an ambassador of *ZAAC*, increase its visibility and strengthen its scientific reputation. You would not be involved in the daily routine of the journal, but your scientific advice and expertise may be called for in difficult and/or controversial cases or for occasional refereeing.

Most important, after all, is that you demonstrate your support for the journal through the submission of excellent manuscripts – the Board members' contributions must set the standards for *ZAAC*! Having said this, we look forward to receiving submissions from your group.

As a member of the International Advisory Board your name and affiliation will appear prominently in the journal, on the *ZAAC* homepage ([www.zaac.wiley-vch.de](http://www.zaac.wiley-vch.de)) and in promotional material wherever space allows. You will receive complimentary access to the online version of the journal and you will have the opportunity to purchase the Publisher's books under the same terms and conditions as book authors (currently 25% discount). Your term on the International Advisory Board of *ZAAC* would be from January 1, 2021 through the end of 2024, which may be extended for a further four years.

Should you have questions regarding any aspects of *ZAAC* and your potential involvement, please send an e-mail to [esmueller@wiley.com](mailto:esmueller@wiley.com). We trust that you share our enthusiasm about *ZAAC* and look forward to hearing from you soon – an e-mail answer as short as "agree" would suffice.

Sincerely,

Dr. Eva-Stina Müller, Publisher, ZAAC (Wiley-VCH)

On behalf of the Editors
